

Discounted 1st Time Medical Compound Orders

Through 2017, Compounding Solutions will be offering our customers a \$5/lb price discount on 25 lb and 50 lb first time medical compound orders.

All subsequent follow-up orders of the same material(s) will be at the true quoted price.

This offer is valid on medical compounds only. It is not valid on color concentrate orders.

Let Compounding Solutions help turn your next great idea into reality with the highest quality materials!
