**COMPOUNDING SOLUTIONS NAMES DOMINIC FEELEY AS EUROPEAN BUSINESS DEVELOPMENT MANAGER**

**Lewiston, Maine** – Compounding Solutions has named Dominic Feeley as their European Business Development Manager. As the European Business Development Manager, Dominic will be responsible for growing the company’s presence in the growing medical device industry in Ireland and Europe.

Dominic joins Compounding Solutions with over 20 years of experience in the plastics and medical device industries in Ireland working with many companies including Vistamed, Covidien, Vention Medical, and Kelpac Medical. Dominic is a graduate of the University of London Metropolitan University with a degree in plastics engineering and is well versed in materials, plastics processing, and device assembly with a particular focus on extrusion for the medical device industry.

“As we continue to grow and expand our global reach, the European market is high priority for Compounding Solutions.”, stated Nathan Doyle, Sales & Marketing Manager. “We have added Dominic to the team to grow our presence and push Compounding Solutions to the forefront of medical compounders in Europe. Dominic’s technical expertise in extrusion and materials make for an excellent resource for our customers in helping make material selections for specific applications. We are excited to have him on the team.”
